Directions from Camden Town Underground Station:

Right exit out of Camden Town underground station; turn right along Camden High Street towards Camden Lock Market; cross over the road so that you are walking along the left-hand side of Camden High Street; once you have crossed the bridge at Camden Lock and are approaching the overhead railway bridge; turn left down the cobbled street (Camden Lock Place) and follow this to the end; ring the buzzer (to the right of the iron gate at the base of the stairs) to gain access to The Interchange.

Directions from Chalk Farm Underground Station:

Turn left out of Chalk Farm underground station into Chalk Farm Road; cross over the road so that you are walking along the right-hand side of Chalk Farm Road; once you have gone under the overhead railway bridge, turn right down the cobbled street (Camden Lock Place) and follow this to the end; ring the buzzer (to the right of the iron gate at the base of the stairs) to gain access to The Interchange.

Directions by Car to The Interchange:

You can reach The Interchange via Oval Road. Please follow this road, which will fork to the right, along cobbled stones to the end. The Interchange is the large red-brick building at the end of Oval Road. Please note that there is limited parking availability at The Interchange.
